COMMISSION ON DENTAL ACCREDITATION  
POLICY ON THIRD PARTY COMMENTS

**WHO CAN SUBMIT COMMENTS:** Third-party comments relative to the Commission’s accredited programs may include comments submitted by interested parties such as faculty, students, program administrators, Commission consultants, specialty and dental related organizations, patients, and/or consumers.

**HOW COMMENTS ARE SOLICITED:** The commission requests written comments from interested parties. In fairness to the accredited programs, all comments relative to programs being visited will be due in the Commission office no later than 60 days prior to each program’s site visit to allow time for the program to respond. Any unresolved issues related to the program’s compliance with the accreditation standards will be reviewed by the site visit team while on-site.

Comments must pertain only to the standards for the particular program or policies and procedures used in the Commission’s accreditation process. A copy of the appropriate accreditation standards and/or the Commission’s policy on third-party comments may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611, or by calling 1/800-621-8099, extension 4653.

**TYPES OF COMMENTS CONSIDERED:** All comments submitted must pertain only to the standards relative to the particular program being reviewed or policies and procedures used in the accreditation process. Comments will be screened by Commission staff for relevancy. For comments not relevant to these issues, the individual will be notified that the comment is not related to accreditation and, where appropriate, referred to the appropriate agency. For those individuals who are interested in submitting comments, requests can be made to the Commission office for receiving standards and/or the Commission’s Evaluation and Operational Policies and Procedures (EOPP).

**MANAGEMENT OF COMMENTS:** All relevant comments will be referred to the program at least 50 days prior to the site visit for review and response. A written response from the program should be provided to the Commission office and the site visit team 15 days prior to the site visit. Adjustments may be necessary in the site visit schedule to allow discussion of comments with proper personnel.
